

**Important information regarding Measles & Rubella Vaccination Camp**  
**Vaccination Date : 17/01/2023**

**Notice to the Parents/Guardians regarding MR Vaccination**  
**Classes Preparatory I to class V**

Dear Parents,

This has reference to our earlier notice dtd. 10th January 2023 regarding M R (Measles Rubella) Vaccination. As per the instructions from the Dept. of Health, Govt. of West Bengal, every child with in the age group from 9 months to 15 years (as on 17.01.2023) must be vaccinated with MR Vaccine at the vaccination camp at our school premises on 17th January 2023. The vaccination will be organized completely under the supervision of Dept. of Health. You are requested to go through the following points to make this endeavour a grand success.

- i) Vaccination will begin at 9:00 am and will tentatively give over at 12:00 noon. Students must reach school by 8:30 am.
- ii) School vehicles will bring the students availing transport facility on that day following the usual school hours(not the present school hours followed delaying 20 minutes). It is not possible for us to allow the parent to accompany their wards in the school vehicles.
- iii) Students will be allowed to go home only with their parents after half an hour from their vaccination time. No school vehicles will be available at the time of departure of students. Hence, it's compulsory for the parents to come to school personally to receive their children.
- iv) Parents carrying their wards on their own must report at the Admin Building gate as usual latest by 8:30 am.
- v) All the parents are requested to wait at our CPS Silver Jubilee Hall till they are called for receiving their wards from the observation room.

- vi) Students must have their breakfast and reach school by 8:30 am as advised by the health officials. Parents may bring tiffin with them for their children if required as they may have to wait for quite a long time.
- vii) Students must wear loose fitting dress suitable for taking the vaccine. School uniform is not compulsory on that day. But students must wear the Identity card on that day.
- viii) Apart from the vaccination teams, a team of doctors and other health staffs will remain present at the school premises on that day.
- ix) Students having fever, had serious illness in recent past, epileptic symptoms, taken Rabies vaccine (Dog/cat bite etc.) within one month and had allergy during previous M. R. vaccination are advised not to take M. R. Vaccine on that day. Vaccination can be taken on a later date with doctor's advice.
- x) All the stake holders are requested to strictly adhere to the recent COVID 19 protocol. Wearing mask is compulsory for everyone.
